To Whom It May Concern,

**SECTION SEVEN LETTER OF RECOMMENDATION AND REFERRAL**

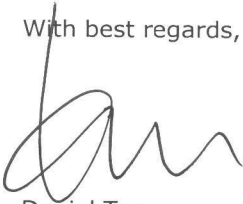

When Unical Aviation Inc identified the wish to expand its business in contract bid solicitations with the US Department of Defense , Section Seven presented its software solution that clearly addresses the bid sourcing and bid processing activities in an automated manner not available to us elsewhere.

Unical Aviation Inc were impressed with the Section Seven software , as well as the technical and consultation support ably provided by proprietor Mr Lee Levinstein.

Mr Levinstein , with his extensive expert knowledge and experience , also provided bid consulting services during the use of the Section Seven software. The extent of knowledge and skills transferred to our staff were intensive, extensive and invaluable.

I highly recommend Section Seven and Mr Lee Levinstein to anyone who has need to bid for US Department of Defense solicitations and contracts .

With best regards,

Daniel Tan  
Senior Manager , Business
